

Price Guide For SCHOOLSE

Set Workshop Prices

Full day £725

Half day £525

These prices are based on class size of up to 32 children and exclude travel costs

Sessions Times

Full Day: Choose either 4 × 1-hour sessions, or 2 × 2-hour sessions. **Half Day**: Choose either 2 × 1-hour sessions, or 1 × 2-hour session.

Children benefit most from 2-hour workshops, as these allow for deeper engagement and more meaningful outcomes. However, we also understand the importance of reaching as many children as possible, which is why shorter sessions are available.

Please note that Carnival Arts and Ceramics are only offered as 2-hour workshops, as additional time is required to complete the projects.
